His Daring Plan to Blow Up the Confederate Ironclads.

Taken for Joseph Jefferson, the Ac tor-Twice Counted Dead.

Chaplain Rane, of the United States Navy. strikingly resembles Mr. Joseph Jefferso the actor. The two men are well acquainted and fast friends, and Chaplain Kane remarked one day that if he were not a minister and had confidence in his histrionic powers, he should propose to Mr. Jefferson that

The two men were in London together in 1876. Jefferson had just captured all England with his acting, and Chaplain Kane was in the city on sick leave.

Jefferson was about to take a train to leave the city one day when some of his friends, espying the Chaplain, gave him i buge bunch of flowers that were intended for

He assured them that he was not Jefferson and the Englishmen, tninking he was playing indignant as an Englishman who feels that he has been snubbed can be.

Oldest Chaplalu in the Navy. the oldest chapiain in the navy. His record dates from the beginning of the civil war, and even at that time he acted as minister when there was no shooting to do, and alternated his commands in battle with words of spiritual advice. He is now stationed. his commands in battle with words of spir-itual advice. He is now stationed at the come to the Hospital. Brooklyn Navy-Yard. He makes his home at 204 Columbia Beights, Brooklyn, having ted from the city in '61.

When Mr. Kane enlisted he was made a line officer on the Pontoosuc, a double-ender that belonged to the Golf Squadron. He was afterards promoted to be acting easign by Adinitial Farragut, and in 1868 received his on as Chapisto.

One of his closest friends throughout the him a daring attempt to blow up the confederate mag-ship Alexandria, commanded by Admiral Semmes, of Alabama fame.

During Plan to Blow Up the Irenclade. published before, although it emtraced de-tails that few of the boldest saltors have paralleled either in conception or in execution. Admiral Porter's tostructions were given to Chaplain Kane in March, 1865, whe

Alexandria lay in the James River, and Ad-

Mexandria say in the James River, and Admiral Porter believed that it and could be destroyed the then smoutdering embers of the Connederacy would be extinguished, and that the war would be at an end. Chapain Kane, with two trusted assistants, was commissioned to effect the work of cest uction when the Union froncads hardly duried to attempt. He reconnotiered the position of the Alexandria and the other vessels in the first and recorded the present of the Alexandria and the other vessels in the first and newards. in the fleet and prepared a plant by which of a datz night he was 10 loat now the river in a small boat and anchor within a short distance of the Alexandria, with a grapping above the ship. He was to be protoned with a cork placket, and expected to be able to get under the sulp's bow without being noticed and fasten a torpedo containing 100 pounds of high explosives to the chain cable. I was then planned for the Chaphain to be hauled back by a rope, which he was to carry with him, to 200 yards of the Alexandria, when he was to pull the lock-string and explode the torpedo.

The arrangements were so carefully made. JOHNSON SAYS IT WAS A JEST. blown up their own ships in order to preven

their capture.

Reference to this heroic intention was made by Capt. William G. Temple, now Admiral Temple, in a letter to Secretary of the savy Robeson.

On one occasion, upon Chapinin Kanes own application, said he. "Admiral Porter attinorizedhim to organize an expedition for the destruction of the frontial Policy of the Folicy's Home at Dayton.
